

Mybusroute SMS

SMS Real-Time Bus Arrival Info

Now you can text Diversified to find out what time your bus is due to arrive at your bus stop. Diversified developed **Mybusroute SMS** as a tool for riders who prefer text messaging to web applications. It is easy to use and you receive a response instantly. We hope you try it today!

How to Use Mybusroute SMS

When you text **Mybusroute SMS** at 88881 you will need to provide specific information in order to receive the proper arrival time of your bus.

Known as the SMS Code, it is made up of the following information:

- Destination Code: A four digit number ranging from #1111 to #1131 (see codes below)
- Stop Code: A six digit code indicating your preferred bus stop location (see list of stop codes at the end of this document)

Here is the SMS code string: Destination Code + Bus Stop Code

In summary, to find out when your bus will arrive at your preferred stop, follow the steps below:

1. Text 88881
2. Text destination code + stop code (as one number, 10 digits)
3. Receive a response indicating next scheduled arrival time of your bus at your stop

Mybusroute SMS

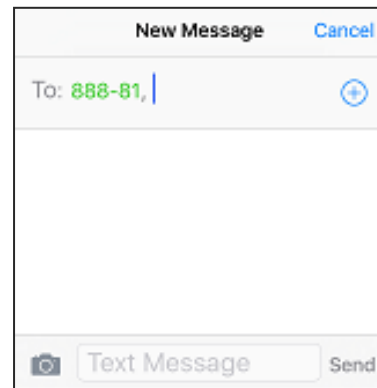

SMS Real-Time Bus Arrival Info

Here is an example of Mybusroute SMS

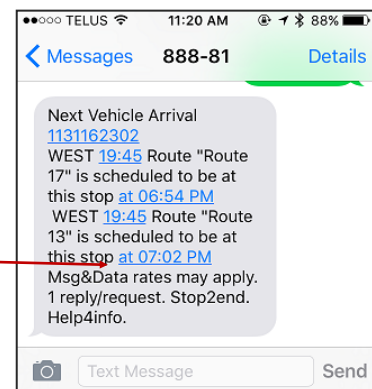

Joe is a Suncor employee who lives on Starling Street in Eagle Ridge. Joe takes the Route #13 bus, which travels to the Suncor Plant side (West 19:45). He wants to know when his bus will arrive at his bus stop which is located on Loutit Road, just past Sandpiper Road.

Step 1: Joe texts
88881

Step 2: Then he texts 1131 (West 19:45) + 162302 (the stop on Loutit Rd., just past Sandpiper Road).
That is 1131162302.

Voila! Joe just received confirmation that his bus should arrive at his stop at 19:02.
